Instructions

Who must file this return

Every person who acquires tobacco products for use in Wisconsin upon which the Wisconsin sales and use and tobacco products excise tax has not been paid must report and pay the tax due.

Tobacco products include cigars, cheroots, granulated plug cuts, snuff, chewing tobacco, clippings, and other forms of tobacco prepared in such a manner as to be suitable for chewing or smoking in a pipe or otherwise (includes tobacco that can be used for "roll your own" cigarettes). Tobacco products do not include manufactured cigarettes or nontobacco items like papers, pipes, or lighters.

Moist snuff means any finely cut, ground, or powdered smokeless tobacco that is intended to be placed or dipped in the mouth.

SECTION A – Schedule of Tobacco Products Purchases

List all of your out-of-state tobacco products purchases where the Wisconsin excise tax was not paid. If additional space is needed, please attach a separate sheet.
